

Job Description

FFE Designer

The Company: Vickers Studio is an award-winning design team principally for exteriors and interiors of prestigious superyachts and motorboats. Their portfolio also includes interior architecture projects. The Studio is experiencing a period of growth and as a result is looking for someone to join their friendly team to help deliver some exciting new designs.

Location: Vickers Studio is based in Rowlands Castle. Remote working may be available by arrangement.

Hours: Full time - 35-hour week

Salary: From £25,000 dependant on experience

The Ideal Candidate: has at least three years relevant post graduate experience within a high-end interior design environment, preferably in yacht design.

You will be highly creative with a natural flair for FF&E. You will be familiar with the Chelsea Design Centre and have a bank of contacts within the fabric houses. You will be as confident in creating schemes as you would be presenting them to clients.

The candidate must be able to follow a client brief and solve design issues as they arise. They must be happy to work as part of a small team reporting to the design director.

Key Roles and Responsibilities:

- Creating mood boards
- Creating design presentations with meticulous detail
- Sourcing unusual furniture, fixtures and accessories
- Maintain an up-to-date contact list for all suppliers
- Finding solutions to difficult problems in a calm professional manner
- Liaison with clients, contractors and suppliers with a high level of professionalism
- Attending client meetings in the UK and abroad
- Keep up to date with industry trends
- Working to deadlines and budgets
- Assisting the Design Director in general business activities as required

Essential Skills

- Natural creativity
- Exceptional attention to detail
- Excellent verbal and written English

- Capacity to deal with multiple projects at a time
- Indepth knowledge of furniture and finishes
- Ability to take FF&E projects from concept to installation
- Work with an organised, thorough and enthusiastic approach
- Highly experienced with MS Office, specifically Excel, Word and PowerPoint

Useful skills

- Ability to accept and give constructive criticism
- Experience in Adobe Photoshop.
- Experience with InDesign and Illustrator
- Second language eg Italian, German, Turkish or Russian
- Sailing experience
